

Bump your vacation plans up and have some fun today! ...This could be possible if you skip the June, July or August payment on your applicable credit union loan(s)*.

The low \$35 processing fee per loan will be deducted from your Savings or Checking Account for you. We'll also deposit your payment into your Savings Account if you make automatic loan payments through Direct Deposit or Payroll Deduction. If your payment is made through Virtual Branch, please remember to change your scheduled payment so the amount is not automatically deducted. If PA Central automatically deducts your payment from another financial institution, you must have this form to us at least five (5) days prior to your due date. Interest will continue to accumulate during the month you skip your payment.

Skipping a payment is easy and convenient! Just complete the attached form and scan and email it to us at skipapay@pacentralfcu.com, fax it to us, bring it into any PA Central branch, or mail it back.

**Excludes credit card loans.*
